PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on November 14, 2013.

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number **Nature of Noncompliance**

3 **Mandatory Condition # 2:** The defendant shall not commit another Federal, state, or local crime.

4 **Mandatory Condition # 3:** The defendant shall not unlawfully possess a controlled substance. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as determined by the court.

Supporting Evidence: On April 25, 2014, the undersigned officer was contacted by a United States marshal and advised that the supervising sergeant at the Spokane County Jail had contacted him. The sergeant advised the United States marshal that Ms. Bishop's bunk area had been searched that date, after she identified the area as hers, and that deputies located a small plastic baggie containing a white crystalline substance. Deputies also found more of the white crystalline substance in a piece of paper, which was found in a milk carton located in Ms. Bishop's belongings. Based on their training and experience, deputies believed these substances were methamphetamine. Subsequent testing of the substances confirmed that both powdery substances did in fact contain methamphetamine. This information has been forwarded to the prosecutor's office so that charges may be filed.
